INCLUSIONS

Just because our tiny homes are small doesn't mean you have to forgo the features you find in a traditional modern house. We design every tiny home with comfort, liveability, and luxury in mind.

Some of our standard inclusions include:

> Custom built kitchen featuring a window splashback

> Gas 2 burner cooktop and hot water system for off grid practicality

> Large custom designed vanity with an above-counter basin & mixer tap, adding style and functionality

> Spacious 1200 x 900 shower with premium fixtures

> Efficient wall insulation and an anticon blanket for year-round comfort and energy savings

> Available with both 3500 – 4500 kg GVM depending on selections and cladding

> Selections of multiple cladding types including weathertex and Colourbond

DO YOU WANT TO CUSTOMISE THIS TINY HOME TO SUIT YOU.

One of the biggest advantages of Alphaline Tiny Homes is our ability to customize our designs based on your needs and preferences.

You will be able to work with our experienced design team to create a unique and personalised tiny home that meets your specific requirements.
